Limestone Township Planning Commission Meeting

February 25, 2026

Attendees: Teresa Haines, Stanley Bingaman, Mark Mapes, Jim Mapes, Les Lyons, Charlie Axtman, Scott Shambach, Sam Hoover, James Schwartz, and Phares Horning

Meeting was called to order at 7:00PM

Phares made a motion to approve the February minutes with one correction on the date, which Sam seconded. All in favor, motion carries.

Budget was reviewed and filed for audit at a later date.

No decision was made on Curvin Martins Greenhouse. The Board looked at the plan but it needs to be reviewed by HRG first.

Scott Shambach requested a copy of the SALDO and requested that the board make an amendment to the Ordinance allowing for partial surveys for job specific projects.

Scott asked for an allowance to do the partial survey for the project. Jim suggested that if a partial survey was being allowed that the buildings be at least 150' from the property line joining the Hollenbach property, allowing for possible margin of error and due to the size of the buildings which all board members agreed with.

Next meeting to be held March 25, 2026

Respectfully submitted,

Teresa Haines

Secretary
