Rich made a motion to accept the Gutelius bid of \$173,562.60 which was seconded by Brian.

All in favor, motion carries.

Planning Commission Report:

Jim Schwartz recommended that the Supervisors enact an Ordinance restricting Data Centers in the Township. The Planning Board also suggest adding a small section to the SALDO for project that could be done with only a partial survey.

Rich made a motion to approve the Storm Water agreement for the Mapes poultry barns which was seconded by Brian. All in favor, motion carries. Brian made a motion to approve the Final Plan for the Mapes Poultry Barns which was seconded by Rich. All in favor, motion carries.

Emergency Management Report: Call report for April was received.

Code Enforcement:

James Woodling was issued a storage shed permit.

Public Comment:

Unfinished Business:

Jenna asked that the Comcast Ordinance be added to the June agenda.

Elton Martin was the only resident to express an interest in harvesting the damaged trees from the Township property. Elton provided a certificate of Liability and Jenna will prepare a waiver for Elton to sign. The Supervisors will meet with Elton to mark the trees that are to be removed.

New Business:

Supervisors discussed the pay rate for Phil Walter. Does the Township go along with the fees/rates set by the Now disbanded Water Authority or suggest a new one. Phil proposed the rate of \$25.00 per hours plus mileage. Rich made a motion to approve this suggestion which was seconded by Brian. All in favor, motion carries.

Phil Walter reported that the shut-off valves on Mensch and Mensch/Pinnacle are stuck in the open position making them faulty and in need of replacement. Per PenDOT requirements, Phil will be getting 3 phone quotes for the job.

Phil also discussed proper procedure for any work being done in relation to water quality testing when projects are finished or any boil advisory needs issued. DEP has strict guidelines that typically take several days to complete and paperwork is filed. DEP then notifies the Township representative (Phil) when a boil advisory can be lifted. Township will continue to post notices on doors as it is the most reliable means to communicate. Phone and email are an option but since ownership can change at any time, this will not be used.

Executive Session: None

Meeting adjourned at 8:00

Next meeting: June 2, 2026

Respectfully submitted,

Teresa Haines

Secretary
